COVID-19 (coronavirus) and your club

COVID-19 has changed the way we live and interact with each other, for sporting clubs and community organisations there have been significant impacts. Go Clubs has developed a series of fact sheets to ensure your organisation can be up and running as quickly as possible as soon as operations are able to return to normal.

Available Support

There are a variety of support options available to business, not-for-profits and individuals across all levels of government. These support packages are evolving as the situation changes.

Council has set up a dedicated webpage <https://www.cairns.qld.gov.au/council/covid19> that will deliver all your up to date information throughout. In its initial response, Council has also deferred rates and water bills for three months as well as halved lease and rental fees.

Council officers remain available to assist you with grants, day to day operation, strategic planning and anything else offered by the Go Clubs suite.

Clubs can stay connected via Go Clubs Facebook <https://www.facebook.com/goclubscairns>
Details on economic, social and health support is available from the federal and state governments can be found at <https://www.australia.gov.au/> and <https://www.qld.gov.au/>
